

MINDTREE AEROSPACE

ABOUT THE COMPANY

MindTree Aerospace RMA LLC had commenced operation in 2014 and aims to work as a leading international niche provider to support commercial aviation, military operations, business jets, helicopters, cargo carriers, flight training aircraft, and seaplanes.

We support our customers and partners worldwide with innovative solutions, RnD, and comprehensive curated services from a strong UAE base.

OUR FACILITY

We run our operations on an 11000 sq. mt owned plot of land with a well-developed facility to continue our existing business with room for expansion in the future.

We are located in Dubai Industrial City, a strategic location to cater to all our customers in the region, with enough space to receive large shipments from our global customers.

GCAA MOA

A black and white photograph of a person wearing a full-body white protective suit, gloves, and a respirator mask. They are working on a large, dark, metallic structure, possibly a piece of machinery or a large container. The person is using a tool, likely a wrench or a similar fastener, to work on the structure. The background is blurred, showing more of the industrial environment. The word "PRODUCTION" is overlaid in white capital letters on a semi-transparent dark rectangular background in the upper right corner.

DISTRIBUTORS**

CAMOUFLAGE NETS

- Our nets range from 2D or 3D Multispectral / Hybrid, Radar scattering, Radar Transparent, Anti- infrared, Anti-Thermal, to name a few.
- Each net is provided along with all test certificates against frequencies, environmental factors, and microorganisms.
- With a trademarked color matching system, we can match any country's terrain.
- All our nets come with telescopic poles, stakes, disruptors, and other necessary deployment accessories.
- We can support our clients with training, set up, and repair procedures of the nets.

IN FLIGHT TROLLEYS

- We are proud to be recognized and trusted by OEM's who allow us to act as a distributor on their behalf in the Middle east region.
- With this privilege, we can act as an approved repair station for OEM products, thereby supporting our clients with their inventory optimization, AOG support, and improved lead times.
- Our trolley equipment leads the aviation market as the current lightweight king.

Ergonomical brake system	Upper hand lock / unlock brake system
Wheels	New road band / load support increased
Insulating properties	Keeps the contents refrigerated 6 hours more than other choices in the market
Accesories	Compatible with ATLAS drawers and trays
Door lock system	Eleven points locking system
Fire/ heat release / smoke density and toxicity	Compliance with: ABD and OSU
Bumpers	Protect the wheels from impacts
Recyclable	Environmental friendly
Structure	High energy absorption / High resistance to impacts and permanent bends or dents
Colors	Wide range of colors w/ luxury finish (opt)

Description	Weight
Our trolley full	19.5 kgs
Our trolley half	10.5 kgs
Competitor X trolley full	20.5 kgs
Competitor X trolley half	11.7 kgs
Competitor Y trolley full	21.6 kgs
Competitor Y trolley half	12.3 kgs

FACILITY

WORKSHOP

Quality inspected bonded storeroom with organized inventory control.

Generous warehouse capacity for all repair and production activities.

4 spacious chambers dedicated for the repair of components.

3 operational Hydrographic printing tanks for different shapes & sizes.

15 upholstery machines for all soft furnishings.

3 operational paint booths for leather, plastic, and other materials.
